

QCS2-800

800 slices per hour Conveyor toaster

- All Holman toasters use the innovative Quartz infra red heaters for speed and performance. These specialist conveyor toasters all have heat on demand in only 30 seconds.

As with all the Holman's Conveyor Toaster range (America's market leader), this conveyor toaster uses Quartz infra red heaters to toast at high speeds with perfect results. It produces 800 slices per hour, with an energy saving stand-by mode and heat on demand in only 30 seconds.
